JURY WAS COMPLETED SHORTLY AFTER COURT CONVENED WEDNESDAY

STATE TELEGRAPHS FOR FIRST WITNESSES

**Came Rather Unexpectedly When the Last
Man is Accepted by Both Sides—Still
Chance for Peremptory Challenge—Mor-
timer to Open for Prosecution This Morning**

(By The Associated Press)
WAUKEGAN, Ill., May 10.—The jury to try Governor Len Small, charged with conspiracy to embezzle state funds was completed today and tomorrow morning at 10 o'clock the trial will get under way.
State's Attorney Mortimer of Sangamon county, where the case against the governor originated, telegraphed the first state witnesses to be here tomorrow and taking of testimony probably will be started before noon.
Mr. Mortimer will make the opening statement for the prosecution. He indicated tonight he expected to speak for an hour and a half, outlining the basis of the charges against the chief executive.
Completion of the jury today was unexpected. Court met at 1 o'clock after two and a half days recess due to the illness of Judge Edwards. One man remained to be found for the final panel, while the other three in the group were still open to peremptory challenge.

COMMITTEE ON PEACE IN DAIL FAILS TO AGREE

**Can't Even Get To-
gether on Joint Re-
port, it is Said**

(By The Associated Press)
DUBLIN, May 10.—Peace in Ireland seems far off. The Dail Eireann peace committee has failed to reach a basis for a settlement between the opposing factions. The report of the committee presented today was confined to the bare announcement that after 11 sessions the two sides had failed to agree even on a basis for peace. Furthermore, they were not agreed in a joint report on the reasons for failure.
Those on the treaty side had prepared a statement of their case but it was decided not to hear it until the other side had prepared a corresponding statement. The Dail Eireann tomorrow will consider the two reports.
The important question was raised immediately as to whether the truce terminated this afternoon or continued until at least tomorrow morning. The Dail did not pronounce on this point. The idea as expressed by Speaker MacNeill being that the discussion of such a question implied the admission that before the conference there existed a recognized state of war.
The peace was really a separate transaction between the rival sections of the army and Arthur Griffith president of the Dail said it must be left to the military.
This places renewal of hostilities in a position of doubt in the public mind.

RAIL HEADS STATE THEIR POSITION

(By The Associated Press)
NEW YORK, May 10.—Some railroad executives here who received invitations to the rate conference called by President Harding for May 20, stated today that they would take the position that a general rate reduction was not warranted at this time without a corresponding reduction in wages. Among the executives who received invitations were:
Alfred H. Smith, president of the New York Central; Samuel Rea, president of the Pennsylvania; Daniel Willard, president of the Baltimore & Ohio; Hale Holden, president of the Chicago Burlington & Quincy; Frederick D. Underwood, president of the Erie Railroad; and Robert S. Lovett, chairman of the board of the Union Pacific.

NEW PLANS FOR PLOW COMPANY ARE RATIFIED

**Reorganization Com-
pleted and Officers
Are Chosen**

(By The Associated Press)
MOLINE, Ill., May 10.—Reorganization of the Moline Plow company has been completed, it was announced today. New plans for the company and its subsidiaries, chief of which is the Stephens Motor Car company, were ratified.

The reorganized company is the Moline Plow Co., Inc. It is a Virginia corporation succeeding to all the assets and good will of the old Moline Plow company. The Illinois American Plow company, for which papers of incorporation were issued recently at Springfield, came into temporary existence to expedite reorganization and the charter will be surrendered soon.
The new company has been launched with \$16,000,000 of current assets and with all current indebtedness wiped out except accrued and current expenses and \$70,000 of current accounts. Twenty five million dollars of indebtedness was converted into \$12,500,000 of twenty year debentures and \$2,500,000 of first preferred stock, while \$7,500,000 of old first preferred stock was converted into \$7,500,000 of new second preferred stock.
Included in the policy of readjustment presented by the new management is a plan to improve the system of implement sales and distribution which it is claimed will help to reduce prices. According to the officers ample provision has been made for any further readjustment of business conditions or declines in value.

Officers Elected
Officers elected included Frank O. Wetmore, Chicago, chairman of the board; George N. Peek, president; H. S. Johnson, executive vice president; R. W. Lea, vice president and manager of the Stephens Motor Car company; F. W. Elden, vice president and sales manager; C. B. Rose, vice president in charge of tractor works; H. B. Dineen, vice president in charge of implement manufacturing; L. C. Shonts, secretary. Directors are F. O. Wetmore, G. N. Peek, H. S. Johnson, John E. Blunt Jr., C. P. Coffin, Herman St. Louis, Mo.; C. T. Jaffray, Milwaukee, Wis.; S. A. Mitchell, neapolis, Minn.; Runsey W. Scott, New York; J. Herndon Smith, St. Louis, Mo.; F. F. Winans, Chicago; Henry R. Johnston, New York; R. I. Barr, New York; Horace Fortescu, Philadelphia, and H. H. Cleveland, Rock Island.

Improvement in implement distribution, according to President Peek, will result in larger volume and territory for dealer, larger shipments, shorter terms and larger discounts for both the farmer and dealer. According to President Peek, it will make local financing more attractive than financing by the company and leave more of the profits in the community where the profits are made.

Personnel of Jury
The completed jury includes nine married men, two bachelors and a widow. Four are naturalized citizens. Their average age is 43 years, the youngest being 26 and the oldest 64.
The jurors are:
Alexander Smith, 49, of Newport, a ditch contractor, married and the father of nine children.
George Martin, 28, of Highland Park, grain elevator foreman, single.
William Barnard, 28, born in the British West Indies, employed as a landscape gardener at Lake Forest, married.
J. B. Fields, 26, of Antioch, taxi owner, single.
Frank Readorn, 37, Waukegan, steel mill worker, married.
W. C. Pepkow, 29, Waukegan, substitute postal clerk, married.
Ralph Peterson, 32, Highland Park, hospital fireman, married.
George Beckman, 28, Deerfield, brickmaker, widower.
Lawrence Buss, 56, born in Paris, employed at Hainesville, a laborer, married.
August Larsen, 64, Highland Park, gardener, married.
Hans Johnson, 52, Waukegan, born in Denmark, steel mill worker, married.
John E. Larson, 57, Waukegan, born in Sweden, a painter, married.

CONDITION OF GROWING FRUIT GOOD

(By The Associated Press)
SPRINGFIELD, Ill., May 10.—Condition of grown fruit in Illinois is the best in several years according to the crop report issued by the Weather Bureau here today. Frosts did very little harm. "Plowing for corn," the report says, "has been general, and planting made considerable headway in central counties. The condition of winter wheat is generally excellent, and the places that had turned yellow show some improvement. Oats and spring wheat are coming up."
The work of seeding oats is completed. Meadows and pastures are in good shape as a rule. Strawberry shipments have begun in the extreme southern areas. Conditions are decidedly favorable in the Pulaski county district. The roads are rough in some areas.

SMOKERS OF CIGARETTES WATCH YOUR STEP

Chicago, May 10.—The National Headquarters of the Woman's Temperance Union in Evanston today sent out a questionnaire on cigarettes. The person queried is asked among other things if he can truthfully say cigarette smoking does him no harm, if he has studied to know the relation the use of tobacco may have on his children and grand children and if he realizes the relation between tobacco and liquor.

BRIEFS

(By The Associated Press)
STERLING, Ill., May 10.—Maurice, nine months old son of Mr. and Mrs. Leonard Knox, farmers residing west of here, fell into a tub of water on the rear porch at the farm home, and was drowned.

PETERSBURG, Ill., May 10.—Rev. J. J. Dugan 73, retired Methodist preacher, fell dead at 8 o'clock this morning. In the 39 years of his ministry, he had held charges in more than a score of Central Illinois towns. He retired from active service in 1911.

QUINCY, Ill., May 10.—Daniel C. Wood, aged 93, son of the founder of Quincy, Governor John Wood and the first white child born in this city, died Tuesday at the home of his daughter in Salina, Kansas, according to word received here today. The body will be brought to Quincy and interred in Woodlawn, the cemetery named after his family.

GALESBURG, Ill., May 10.—Several hundred highway commissioners and city executives from over the state will gather at Galva, 30 miles from here today to hear how good dirt roads can be maintained at minimum cost. William E. Hull of Peoria, republican nominee for congressman in the sixteenth district, collector of the state department of public works and S. E. Brandt of DeKalb former state superintendent of highways, will be among the speakers.

MACOMB, Ill., May 10.—Albert Eads, 80, for many years president of the Union National bank here and prominent in republican politics died at his home here last night.

ROCKFORD, Ill., May 10.—When Mayor Hallstrom takes the box to open the Rockford Three Eye home season Monday he will pitch a ball 56 years old. It was found in Rockford in 1865. Deatur is the opening attraction. Commissioner K. M. Landis has been invited.

OFFICERS SALARIES WILL NOT BE PAID DURING THE STRIKE

**Action Taken by Miners Ex-
ecutive Board at
Springfield**

(By The Associated Press)
SPRINGFIELD, Ill., May 10.—No elective officer or appointive employee of the United Mine Workers of Illinois will receive any salary or wages until an agreement is reached in the present coal strike, in which 90,000 Illinois miners are involved according to a decision made today at a meeting of the state executive board.

The new order becomes effective immediately. President Frank Farrington announced tonight and besides extending to all state officers and appointive employees it will touch all field workers. Farrington declared that no action was taken on a separate wage agreement for Illinois, which was to be considered today, according to rumors current in various parts of the state.
During the six weeks the miners have been on a strike they have received no benefits and the state organization leaders decided that it would be fair to discontinue drawing pay. The decision will relieve a strain on the state treasury, into which there has been no payment made since work was suspended.

COLLIE DOG MOURNS AT BOY'S FUNERAL

(By The Associated Press)
JACKSONVILLE, Fla., May 10.—A collie dog was one of the chief mourners at the funeral today of its master, J. D. Crabb, an 11 year old boy who was killed Monday when a tunnel the boy and his playmates had dug caved in. The collie during the funeral service in the chapel took a place under the casket where his wails were so frequent as to interrupt the proceedings. When the casket was placed in the hearse to be taken to the train the dog jumped in and all efforts to remove him were unavailing. He made the trip to the station.

EXPLOSION KILLS FOUR OF FAMILY

Rocky Ford, Colo., May 10.—The wife and three small children of S. C. Elliott are dead and Elliott is in a critical condition as the result of the explosion of a five gallon can of kerosene yesterday in the family's home on a ranch near Blush Springs, five miles from Olney Springs, Colo.

MANY LEADERS OF UNION LABOR ARE CAUGHT IN ROUNDUP

**Murder of Policemen Causes
Many Raids to be
Made**

(By The Associated Press)
CHICAGO, May 10.—Fred "Frenchy" Mader president of the Chicago Building Trades Council and more than 150 other labor leaders were being held tonight after having been caught in a dozen spectacular raids on union headquarters today. The roundup resulted from the murder of two patrolmen and the wounding of another in a running pistol fight in which the killers eluded the police last night.

The two assassinations followed the bombing of two buildings the culmination of a series of disorders believed by the police to have been due to labor warfare in the building trades.

In ordering today's raids, Chief of Police Fitzmorris declared that some labor leaders were just as guilty as the murderers of the two policemen as were the anarchists of the Haymarket riots. He characterized the killings as "slaughter" and termed the labor leaders "hoodlums and ex-convicts."

"I have the officers and representatives of every union in Building Trades' Council and some among those arrested," Chief Fitzmorris said after the raids had ended this afternoon. Those arrested will be treated like ordinary prisoners and held until they can be questioned.

Big Tim in Custody

The lists of men taken into custody include the names of some who have been known for years as the leaders of labor in Chicago. Among them were "Big Tim" Murphy, president of the Gas Workers' Union and Cornelius "Con" Shea, leader of the teamsters' strike in 1904. Murphy, known as Chicago's labor "czar," has been out on bail after having been sentenced recently to seven years in the penitentiary in connection with a \$400,000 mail robbery.

The raids were unexpected, the first being made on the headquarters of the building trades council where a squad of men from the detective bureau suddenly appeared at the entrance of the building. The raiders slammed the doors and then kept them shut with threats of shooting. A score of labor leaders found in conference were taken into custody immediately and all books and documents in the office seized. A safe was opened by drilling off the combination, but only three pistols and about 100 rounds of ammunition were found inside. Raids on other union headquarters and saloons known to have been used as hangouts by notorious sluggers and gunmen who have been connected by the police with many recent bombings and shootings. Scores of men were arrested in these minor raids and a large supply of pistols, sawed off guns and ammunition seized.

STATE DENTAL OFFICERS CHOSEN

SPRINGFIELD, Ill., May 10.—Officers of the Illinois State Dental Society elected at tonight's session were: J. H. Prothero, Chicago, president-elect; Howard S. Layman, Springfield, vice president; A. C. Willman, Kankakee, C. E. Duff of Lawrenceville, H. A. Frankel and H. E. Smith of Chicago, members of the executive council.
F. Hazelet of Springfield, named at the previous session of the society, will succeed the retiring president, Frederick B. Noyes, of Chicago, for the 1922-23 term. The convention will adjourn tomorrow afternoon after one of the most successful sessions in its history, according to members.

COMMENTS ON

R. R. BOARD RULING
St. Louis, Mo., May 10.—The decision of the railroad labor board declaring the "farming out" of railroad repair work a violation of the transportation act, "will do much to eliminate dissatisfaction among shop crafts employees of the railroads," W. V. O'Neill, president of the Industrial Association of Supervisors and Mechanics said tonight.

CORONER'S JURY

Port Huron, Mich., May 10.—A coroner's jury investigating the deaths Monday of Joseph Lobert and his wife at their farm home near Elkton, Huron county, returned a verdict today that they killed each other "while engaged in combat with an axe and a butcher knife."
What precipitated the duel was not determined. Three of their five children witnessed the quarrel.

CONTRACTING SHOP REPAIR WORK ILLEGAL

**Sending Work to Out-
side Firms Violates
Law Board Says**

(By The Associated Press)
CHICAGO, May 10.—Contracting shop repair work to outside firms by a railroad company was declared a violation of the transportation act and contract provisions conflicting with the wages and working rules laid down by the railroad labor board were branded illegal in a decision handed down by the board today. The decision was characterized by the board as the most important it has made since its establishment.

The decision, first of a series of judgments to be handed down on disputes over farming out railroad labor was made in the controversy between the union shop crafts and the Indiana Harbor Belt railroad. The board declared its pronouncement went to the vitals of the transportation act.

While the decision applied only to the one road which last September contracted its repair work to the Burnham Car Repair company, the general principles established will govern all subsequent decisions. There are now 36 such cases pending before the board involving 17 railroads, and union officials have intimated that unless they can escape the rapid spread of contracting shop work, there would be a flood of protests filed before the board. Each case will be decided on its own merits the board announced but the principles of today's decision would stand.

Under this decision thousands of former railway employees now working for contractors at wages varying from the labor board scale are formally brought back under the board's jurisdiction. Rules varying from those laid down by the board are likewise, in effect, declared illegal and the contractors' employees restored to the working rules promulgated by the board.

Sets Will of Congress at Naught

The board declared in its decision that if a railroad company could remove its employees from the jurisdiction of the labor board as was contended in the Indiana Harbor Belt case, "then the entire transportation act can be nullified and the will of congress set at naught."

At present various roads have contracted to independent companies the work of six different classes of employees—shopmen, maintenance of way laborers, clerks, firemen and oilers, hostlers and signal men—and the board declared that if one class of employees could be taken out from under the transportation act, "there is no sound reason why each and every railroad employee cannot be given like treatment."

The board pointed out that the public would be deprived of protection against strikes if employees of a railroad contractor were placed under the board's jurisdiction as well as bona fide railway employees.

The Indiana Harbor Belt case was one of the first to come before the board the first contract being let by the road on January 29, 1921.
Subsequent agreements extended the operations of the repair company until a contract on September 16, 1921, gave the repair work to the Burnham Company in seven shops. Meanwhile, similar cases of farming out work appeared on the Erie, New York Central, Missouri, Kansas and Texas Michigan Central and numerous other roads. Some of these contracts have resulted in strikes and all have brought protests to the labor board.

"Good Bye Scholars, Good Bye School."
"Good Bye Teacher, You Darned Old Fool!"
The Republican side rocked with laughter.

Declaring that he resented the insult to Mr. Wilson, Representative Connally, Democrat, Texas, told the house Mr. Fordney would eliminate his statement from the congressional record.
"The gentleman from Michigan," said Mr. Connally, "embraced the first opportunity he had to indulge in the same kind of coarse, livid conversation about the ex-president."

"Of course, it does not take any school teacher to understand that the gentleman intended by his language a nasty fling at the great ex-president who is not able to come here on this floor and defend himself against the coarse insults that are from time to time heaped upon his head."
"That great man lies stricken I think it is unseemly and unbecoming in the chairman to regale the galleries and his partisan audience here with these clown, mean nasty flings at a former president."

REPORT TO BE MADE ON DAIRY MARKETING

Chicago, May 10.—A report on dairy marketing in 27 counties of Illinois, Indiana and Wisconsin surrounding Chicago will be made by the dairy committee of nine recently appointed by the American Farm Bureau Federation on May 12. A definite plan for reorganizing the Chicago milk market district will be presented.

POLITICAL LEADERS EMULATE CHAMELEON ON LIBERIAN LOAN

**Republicans and Democrats Engage in an All
Day Wrangle—Former Insist on Carrying
Out Agreement Made by the Latter in
1918—Fordney Scores Woodrow Wilson**

(By The Associated Press)
WASHINGTON, May 10.—Loan by the United States of \$5,000,000 to the Republic of Liberia was authorized in a resolution passed tonight by the house.
The vote was taken after the house had defeated a motion to recommit the resolution to the ways and means committee with instructions to report it forthwith with an amendment providing that no part of the amount loaned should be used in paying the indebtedness of Liberia incurred prior to August 1, 1914.

The resolution was passed 148 to 139 with six members voting present. The motion to recommit was defeated 168 to 123. About 40 Republicans voted against the bill altho many Republicans in and around the chamber did not vote. The Democrats opposed it solidly.

In the all day wrangle, characterized by Representative Tinsler, Republican, as the most diabolical political fight in the house in the last two years there was what some members described as the remarkable spectacle of Republican leaders insisting that an agreement of the Wilson administration should be carried out with Democratic leaders asserting that the loan to Liberia was authorized in 1918 in defiance of law.

Reference to former President Wilson by Chairman Fordney of the ways and means committee in charge of the resolution which Democrats declared was "healing," started a bitter partisan fight, which culminated for the moment interest in the Republican claim that the government was morally and legally bound to assist the aid of Liberia and a united Democratic denial.

While there were many allusions to Mr. Wilson, the statement by Mr. Fordney which aroused Democratic wrath was made during a sharp passage bearing on the political makeup of Michigan.

"We are intelligent people up there and we know how to vote," said Chairman Fordney, at which he was asked "if you have any school teachers up there?"

"None who received their education in Virginia," Mr. Fordney shouted.
Fordney Scores Wilson.
"The gentleman says that a school teacher is not much of a man outside of his own job," said Representative Lowrey, Democrat, Mississippi and Mr. Fordney instantly broke in:
"Not unless he has considerable training in some other line," the chairman declared.

"Take him direct from school to the white house and he is a glorious misfit. But as a political boss he worked well for a while but he finally overstepped himself. Let me say that in connection in 1920 I made this statement—that the President was going to change his boarding house on the 4th day of March and he did. I said we would say to him what I have heard sung at the close of school I attended down in the backwoods."

"Good Bye Scholars, Good Bye School."
"Good Bye Teacher, You Darned Old Fool!"
The Republican side rocked with laughter.
Declaring that he resented the insult to Mr. Wilson, Representative Connally, Democrat, Texas, told the house Mr. Fordney would eliminate his statement from the congressional record.

"The gentleman from Michigan," said Mr. Connally, "embraced the first opportunity he had to indulge in the same kind of coarse, livid conversation about the ex-president."
"Of course, it does not take any school teacher to understand that the gentleman intended by his language a nasty fling at the great ex-president who is not able to come here on this floor and defend himself against the coarse insults that are from time to time heaped upon his head."

"That great man lies stricken I think it is unseemly and unbecoming in the chairman to regale the galleries and his partisan audience here with these clown, mean nasty flings at a former president."

INDICTMENTS ARE RETURNED FOR MURDER

Herrin, Ill., May 10.—Indictments charging murder have been returned in the circuit court of Williamson county against Constable C. S. Cagle and former policeman Ross Lisenby and Harry Walker in connection with the fatal shooting of Frank Zigmant, April 9.
The officers claim the shooting was in self-defense.

Senator Reed, departing from custom, is ignoring the attacks made upon him by Former President Wilson. Quite often silence is the more effective sort of an answer.

Of course Mr. Rockefeller has more influence in the world than Mr. Ford. Think of the millions of people who pay one cent more or less per gallon for their gas just as Mr. Rockefeller happens to decree.

If Mr. Goldstein's request that his name for nomination be withdrawn is granted, perhaps that will be the happiest settlement of the whole unpleasant controversy. Mr. Goldstein hasn't denied that he received that \$2500, but whose money was it, anyhow?

Railroad workers won an important ruling from the railroad board when it was declared that the railroads are without their rights in subletting their work to other concerns. The most unfortunate thing about the situation is that heretofore both the railroads and the workers have denied the authority of the board.

More than 500 credit men traveled from Chicago yesterday to Decatur as did hundreds of other delegates to attend a convention. When hotel facilities in Jacksonville become more adequate just such conventions can be brought to this city.

The jokesmiths who have been speculating about the extreme case which Judge Edwards would reach before a jury could be completed for the Small trial have lost their guess. Twelve men were accepted by both sides Wednesday and the opening statements are to be made today.

Entirely new and different from any other play in progress today

TODAY

ROBERT EDESON

And Co-Star Cast, in

"ANY NIGHT"

A tense, gripping story, beautifully screened, of a sweet little baby boy, just a beautiful young mother and a father who, in spite of his weaknesses and failures, finally wins position and respect. A thrilling story with the most wonderful climax ever seen on stage or screen.

Admission All Seats 10c

No Tax

With so many witnesses subpoenaed and so much documentary evidence, the trial must run through many weeks. But both the friends and the opponents of the governor are hoping that the trial can move along with some speed and reach its conclusion.

There has been more dynamiting and killing in connection with the Chicago labor controversy. There is one good thing about these terrible happenings, the crisis will come the sooner and order developed out of chaos. The proof can and must be given that these outlaws are not really representative of Chicago labor.

Drainage district representatives are following natural impulses in their determination to organize and to take steps which may prevent future flood disasters. If the plans they develop later contemplate changes in Chicago's sanitary district and canal some big problems will be presented. In the final analysis the interests of the majority must be considered wherever those interests lie.

ALTON TO MOVE
BRIGHTON STATION

Building Will be Transferred to the East Side of Tracks—Road Carrying Heavy Passenger Traffic.

The Chicago & Alton is now completing a double tracking project between Brighton and Godfrey on the main line and at the request of citizens the management of the road will move the station from the west to the east side of the tracks. The interlocking tower at Brighton is also to be moved. The improvements there are partially in pursuance of President Bierd's determination to have a standard grade of three feet of one per cent, which is equivalent of 16 feet to the mile, on the entire main line of the C. & A. between Chicago and St. Louis.

Some idea of the tremendous amount of passenger service business carried over the Chicago & Alton is indicated by the frequency with which passenger trains cover the distance between Joliet and Chicago.

A fast mail leaves Joliet at 5:20 a. m. and ten minutes later the milk train for Chicago moves. At 5:35 No. 76, the new train from Springfield to Chicago leaves Joliet and there is only an intermission of five minutes until the Palace Express leaves the terminal. At 6:35 the train from St. Louis passes and at 6:50 the Hummer is at the station. This makes six heavy passenger trains out of Joliet for Chicago within an hour and a half's time. There are numerous other trains during the day, the whole making up a very heavy schedule of passenger service.

CHILDREN'S PARTY.

William Newman, III, has issued invitations for a party to be given next Saturday afternoon at the home of his grandparents, Mr. and Mrs. William Newman, Sr., 809 East State street. The children are to be at the home from 3 to 6 o'clock.

BUYS A RESIDENCE
IN MURRAYVILLE

John Farrell Purchases Residence Property of Fred Still, Who is to Remove to Jacksonville—Other Murrayville News.

Murrayville, May 10.—John Farrell has purchased the Fred Still property. Mr. Still and family expect to move to Jacksonville in the near future.

Louis Sooy and family and George Jackson were guests Sunday of Mr. and Mrs. Curtis Kelly in Manchester.

Mr. and Mrs. T. G. Beadles and children spent Sunday with Mrs. John Irlam and children.

Mr. and Mrs. W. A. Wesner visited their daughter, Mrs. C. R. Short and family in Jacksonville Monday.

The W. F. M. S. will meet Friday afternoon with Mrs. Eliza Millon.

Mr. and Mrs. J. A. Coulson, Mr. and Mrs. N. C. Carlson, Mrs. Hannah Tendick and daughter, Miss Dorothy Tendick attended the funeral of Jacob Tendick in Jacksonville Sunday afternoon.

The W. F. M. S. held their annual thank offering service Sunday morning at the M. E. church.

George Coultas spent Saturday and Sunday with his son Herbert and family in Jacksonville.

Misses Ruth Brown and Dorothy Mae Callons, members of the training class of Passavant Hospital were guests at supper Sunday evening of Miss Helen Rousey.

Mrs. Lucy Grander of Woodson was a week-end visitor at the home of John Osborne and family.

Mr. and Mrs. Arthur McDewitt of Hettick visited Sunday with Mr. and Mrs. J. L. Sofomon.

Mrs. A. M. Masters of Jacksonville; Mrs. C. F. Strang, Mrs. J. H. Spencer and Mrs. Mary E. Wright were guests Tuesday of Mrs. J. C. Andras and family in Manchester.

Miss Lula Coultas spent from Saturday until Monday with her sister, Mrs. Charles Spencer in Roodhouse.

Mr. and Mrs. Edward Cade went to Elkhart, Ind., Sunday to visit the latter's sister, Mrs. Charles Arnold and family.

Mr. and Mrs. C. A. Rousey and Mrs. Carl Rousey and children were Sunday visitors with Mr. and Mrs. Terry Rousey in the country.

Mrs. Nettie Millon, Miss Stella Cunningham and niece, Miss Pauline Barton were Tuesday afternoon visitors with their brother, G. M. Cunningham and family in Woodson.

Mr. and Mrs. George Shipkins of near Jacksonville spent Sunday with latter's parents, Mr. and Mrs. J. K. Cunningham and family. They were accompanied home by their niece, Miss Marguerite Barton for a visit.

Mr. and Mrs. William Wells of near Franklin were guests Sunday of Mr. and Mrs. George Durham.

Mrs. Alice Barker and Thomas Barker spent Sunday with Mrs. Barker's son Herbert Barker and wife in the country.

Mr. and Mrs. C. A. Boruff and Mrs. W. T. Reaugh of Jacksonville and Mr. and Mrs. Guy Jones of Denver, Colo., were business visitors here Monday afternoon and called on Mr. and Mrs. John Boruff.

Richard Kelley and family and William Lovell and family of near Franklin were visitors Sunday at the home of Harry Seymour and family.

W. O. Beadles has been elected clerk of the M. W. A., lodge to fill the unexpired term of Charles Still, who with his family have moved to Jacksonville.

A number of our citizens made a trip to Beardstown Sunday to visit the flooded district. Those in the company were: Mr. and Mrs. J. H. Fuller and son, David; Mrs. J. E. Thompson, Russell Miller, Miss Mildred Wright, Mrs. Lillian B. Gordon, Mrs. Mary E. Wright and Mrs. Maude Spalnhower.

Miss Jane Wright of near Manchester is visiting Mrs. Chester Blakeman this week.

WABASH TO HELP KEEP
CROSSINGS CLEAR.

Another railroad man was a business visitor in Jacksonville yesterday, Supt. L. W. Karnes of the Springfield division of the Wabash, coming to inspect the crossings and to discuss some other matters. A number of complaints have been filed by Chief of Police Kiloran because crossings are blocked for such long periods by freight trains. The police department has sought to avoid the arrest of crews because of the ill-feeling resulting, but at the same time has felt the necessity of breaking up methods which inconvenience the public.

Supt. Karnes said that steps would be taken to minimize the crossing blockades. Engineer Sheelah was here again Wednesday accompanying Mr. Karnes, and a number of matters pertaining to railroad properties here were discussed.

RETURNS FROM EAST

Stanley I. Davis has returned from a two weeks' trip to New York and Boston. Returning, Mr. Davis spent a day or two at Detroit and one at Rochester, Minn., on business with the Mayo Bros. hospital. Mr. Davis said yesterday that business conditions are now improving steadily in the cities where automobile manufacturing is one of the principal industries. On one of the days in which he was in Detroit 10,000 additional employees were taken on at the Ford factory and it was confidently predicted that by an early date in June the factory will be running with a full force.

Mrs. Lee Smith of Carrollton came up to town to shop yesterday.

DEATHS

Mrs. Lula Catherine Jackson, wife of Horace Jackson of Greenville, passed away at Our Saviour's hospital here Wednesday morning at five o'clock. Death came after a brief illness at the local hospital.

Mrs. Jackson was born in Greene county, April 4, 1886. She was a life long resident of the Greenville community and was well known there. She is survived by her husband, three children, six brothers, four sisters and her mother, Mrs. Ida Dawson. Her father preceded her in death about two years ago.

The remains were removed to the undertaking parlors of C. E. Williamson & Son and prepared for burial. The body was sent yesterday to Greenville and funeral services will be held there on Friday, May 12. Interment will be made in the North cemetery at Greenville.

CLERGYMEN AND PROFS
TO PLAY BASEBALL

Parsons and College Men Will Meet on Diamond at Illinois College Next Week.

If perchance there is a Babe Ruth or a Sisco "in the rough" among the ministers or college professors of Jacksonville, it will be detected next Monday afternoon at Illinois College field, when the two aggregations will contend for honors on the baseball diamond.

The ball game will follow the meeting of the Ministerial Association which will be held on the campus. A lineup of each team will not be made up in all probability until the players are on the field, so there may be several surprises in store. As neither group has had any practice, it will be an even contest.

EVERYONE HAVING
FEET PEDOGRAPHED

Perfect Foot Contests; Drawing Big Crowds to Hopper's Store.

If you haven't had a Pedograph made of your feet you are sadly behind the times apparently. At least, that seems to be the way the crowds flocking to Hopper's store to get their feet pedographed look at it. Of course, the free shoes offered to the winners of the Perfect Foot Contest help draw the crowds.

Pedographs are taken without removing the hosiery, and they show the foot proportions and condition so completely that prize awards can be made by merely comparing the Pedographs entered in the contest.

The contest closes Saturday, May 20, so don't delay in getting your Pedograph taken.

FINDS OLD RELIC.

J. A. Groves brought a very unique sign into the Journal office Wednesday evening which he found at the Illinois College Conservatory while cleaning out some refuse beneath the eaves. It is about 13x18 inches in size and is in a frame. It possibly was printed in 1872, when the Conservatory Hall in the Conservatory block was opened.

The sign calls the attention of lecturers artists and their agents to splendid acoustic properties that the hall contained. The printing was done by J. J. Ironmonger, who was then located in the Ayers Block.

TO RETURN FROM TEXAS

Mrs. Mary A. Wharton, who has spent the winter months in Fort Worth, Texas, has written local friends that she expects to return to this city in the near future. Mrs. Wharton reports that the flood situation in that part of Texas has been the worst in years, but that otherwise her stay in the south has been exceedingly pleasant.

Now Stays Are Back

Many new frocks make the corset necessary. They're quaint, old-world affairs with snug basques, trim waists and billowing skirts. And

RUSSIAN REPLY
STILL AWAITED
AT CONFERENCE

Believed Conference Cannot Stand Much More Strain

(By The Associated Press)

GENOA, May 10.—The economic conference cannot stand many more days of strain such as it has undergone in connection with the framing of the allied memorandum to the Russian delegates and the rumors connected with the Russian's reply, which has been eagerly awaited for three days, but was not presented today.

The great question bearing on the reply is:

"What will the attitude of the Russians be towards foreigners properly nationalized by the soviet government? Clause seven of the memorandum was drafted and redrafted to meet the objections of the French and Belgians. The Belgians finally refused approval and the French approved it with reservations. Every effort has been made by the allies and the allies make concessions relative to the restitution of the property of foreigners in order to prevent disruption of the conference. Repeated changes have been made in the Russians' reply to clause seven.

M. Tchitcherine conferred with the Italian foreign minister, Signor Schanzer today, and it is reported that further changes are being made in the reply tonight for the purpose of conciliation. There are also many indications that the French and Belgians are becoming less insistent and the general feeling in conference circles tonight is that the Russian answer which is expected tomorrow will be of such a nature that it will at least form a basis for a continuance of the discussions.

Much of the Russian reply has become known but the answer to the property clause still is undergoing modification.

M. Barthou, head of the French delegation, forwarded a letter to President Faiva, protesting at the length of time taken by the soviet delegation to answer the memorandum. He insisted that the delay was not justified.

CONGRESSIONAL MEN
TO HOLD ANNUAL MEETING

The Congressional Brotherhood will hold the annual meeting Friday evening at 6:15 o'clock, when Rev. M. L. Pontius will make an address. This is the last meeting of the Brotherhood for the year and reports of officers will be presented and an election held. It is hoped that there will be a full attendance of the members.

WILL MEET FRIDAY

Te Young Married Peoples' Class of Grace M. E. church will hold its regular monthly social and business meeting with Mr. and Mrs. Clarence Ratchak of 1335 West Lafayette avenue Friday evening May 12. All members of the class and those who wish to become members are cordially invited.

VISITOR FROM ST. LOUIS

Mrs. E. A. Nixon of St. Louis is in Jacksonville, a guest of Mrs. E. E. Crabtree and other relatives. Mrs. Nixon is to leave at no distant date for a summer in Europe. Returning she will be accompanied by her niece, Miss Mary Wadsworth, who has been assisting her uncle Dr. Julian Wadsworth, with the work at the Methodist Memorial at Chateau Thierry for more than a year past.

A Congregational meeting to consider various matters of church business was held at Westminster church Wednesday night Mr. Ensley Moore was chosen moderator and Dr. C. H. Rammelkamp clerk. There was a large representation of the membership present.

MURRAYVILLE CLUB
WOMEN MET WEDNESDAY

The regular meeting of the Murrayville Domestic Science club was held Wednesday afternoon at the home of Mrs. V. B. Kinney. There were fourteen members present and the program of the afternoon was very interesting one. First came the business session and then the following program was given:

Duet, "A Lady by"—Mrs. C. T. Daniel, Mrs. W. W. Walker.

There was unusual interest in this number as the song was composed by Mrs. Walker a number of years ago.

Roll Call—Time and Dollar savers.

Discussion—Does a college education have a tendency to keep women from becoming good house makers and mothers? The answer to this important subject brought out many personal views as well as the views of prominent writers.

Paper, "Practical Politics"—Mrs. Mary E. Wright.

A social hour followed the program and at this time the hostess served refreshments of orange ice cream and caramel cake.

The next meeting of the club will be at the home of Mrs. R. D. Mawson.

Day is Approaching

Start the Boy Graduate Out Right with a Tailored-to-Measure, Well Fitting, Nice Looking Suit—

There's Nothing
Nicer Than Blue
Nor More
Becoming

A blue serge is dressy and befitting any occasion.

Why not secure for him as his "Commencement" gift a suit of blue, and to make it the more economical and serviceable for him let us make up an extra pair of trousers in some light striped material.

We're making a special showing this week of blue serges at special prices for the coming "Commencement" occasion.

Don't delay too long; the warm season rush is on and we shall dislike very much to disappoint any one. Rightly hand tailored suits take considerable time—that's the sort we turn out.

MANY GRADUATES
WILL GO TO COLLEGE

Fifty-Five of The Eighty-Four Members of the Graduating Class of the High School Plan Further Work—Majority Select Local Institutions.

Fifty-five of the eighty-four members of the Senior Class of the Jacksonville High School are planning to go to college next year according to statistics compiled at the high school office yesterday. The fact that over fifty per cent of the class are expecting to attend high institutions of learning upon graduation from the high school, was made known after a census had been taken in the class to ascertain what kind of work the young people plan to do after leaving the school. This percentage is unusually high and is a convincing testimony of the excellent standards of scholarship and educational ideals maintained at the local high school.

The records for the class of 1922 show that of these 84 seniors, 33 are planning to go to Illinois College; 1 expects to attend the Art Institute in Chicago; 1 plans to go to the University of Illinois; 7 plan to go to Illinois Woman's College; 6 expect to attend Brown's Business College and 7 plan to go to college but have not yet chosen the school they will attend.

Eight of the students are planning to teach school next year; 3 of those who are to attend Illinois College will study music at the Conservatory; ten of the students who are graduating from the Commercial Department of the high school expect to make use of this training by entering into some kind of office work next year.

GOLD STAR MEETING.
The annual Gold Star meeting of the Service Star Legion will be held at the home of Mrs. A. T. Capps 504 North Church street at three o'clock this afternoon. A large attendance is expected as a special program has been prepared.

CLINIC TODAY.
In the account of the clinic to be held in this city which appeared in yesterday's Journal it stated that the clinic would be held Wednesday. This was in error as the clinic will be held at Passavant hospital today.

SOCIAL SERVICE
LEAGUE MEETING

Monthly Session is Held—Miss Fowler Submits Report of Activities.

The regular monthly meeting of the Social Service League was held in the league rooms on Tuesday evening. Those present included H. A. Perrin, president; Mrs. M. H. Havenhill, secretary; A. C. Rice, treasurer; Dr. Grace Dewey, Miss Lucy Catlin, L. O. Vaught, J. H. Dial and Miss Anne Fowler. At this time routine business was transacted and Miss Anne Fowler, superintendent of the league presented the report of work done in April.

Three new members were elected at the meeting, Rev. George Stickney, Mrs. R. Y. Rowe and Carl E. Robinson. At this meeting it was also announced that Miss Mary Collins who has completed eight months of successful work as assistant social service worker here will leave Jacksonville the first of June. Miss Collins plans to take graduate work at the New York School of Social work during the coming year.

The advisory council of the Social Service League met yesterday afternoon for the consideration of some special business. This committee consists of the officers of the organization, Miss Catlin, chairman of the case committee and Miss Fowler, superintendent of the league.

At the monthly meeting of the organization Miss Fowler made the following report of work done during the month of April:

The Superintendent's report for the month of April included the following items:

The League was in touch with 107 families 4 of whom were first known to the S. S. L. this month. Forty-eight of this number received material relief and 59 view of personal service but did not need material relief.

The following statistics represented a part of the personal service extended by the S. S. L. visitors:

First visits—4.
Visits in the home—169.
Reference calls—139.
Office interviews—110.
Total visits—422.
Telephone calls—183.

Inquiries from out of town—2.

Some of the services secured for the League's clients from other organizations or individuals are as follows: mental treatment, 2; general medicine examination, 1; mental examination 1; medical treatment by county physician 3; by private physicians 3; by school nurse 5; legal aid 2; extensions of credit 4; other financial adjustments 1; temporary employment 14; children placed in foster homes 1.

Among the problems with which the League's workers have had to cope during the past month were unemployment 25; physical disability including illness of various forms 21; widows without adequate support 18; old age 19; normal income of family in adequate for maintaining family properly 9; desertion or non-support 7; mental defectiveness 7; venereal disease 3; illegitimacy 3; insanity 2; poor management 2; imprisonment 2; indebtedness 1.

The cooperation of the following agencies was of great assistance to the League: the Anti Tuberculosis Association, the Morgan County Bar Association, Passavant Hospital, Our Saviour's Hospital, Oak Lawn Sanatorium, The Police Department, the Illinois State School for the Deaf, Jacksonville State Hospital, the Community Clinic, the Red Cross, the Public School nurses, the Waverly Public Health Association. Seventy-eight garments and 7 pairs of shoes were given out from the store room and 10 garments sold.

In the probation department there were 11 active cases, 7 office interviews were held and 20 visits made; 55 letters were received and 2 were written and two conferences with the county judge held.

The city matron's report showed a great reduction in the number of transients, only 9 coming to the attention of the League during the past month. Because of the decrease in emergency work in all departments except school attendance, it was possible to give intense treatment to these transients, 14 office interviews were held, temporary employment secured for 2, 2 letters written to out-of-town agencies and relatives, and 5 telephone calls made.

The School attendance report showed 8 cases of absence and 2 of truancy. 92 visits to parents and 5 to schools were made by the school visitor.

LANDSCAPE ARCHITECTURE.
C. S. Hall, of the firm of Blair, Hall & Andrews, landscape architects of Chicago, is in the city employed by O. F. Buffe and James Weir Elliott to lay out some lands they own near the place.

Mr. Buffe's holding is a plot of something more than twenty acres bounded on the south by the Vandalla road and on the east by Hardin avenue. He means to have it attractively planned and platted and in time it will make a very attractive piece of property.

Mr. Elliott's land is a part of the Rount estate comprising something over twenty acres and will probably be used for dwelling house purposes.

VARIEGATED WEATHER.
Elmer Henderson of the Brown Plano Co. made a trip to Meredosia yesterday. During the journey he encountered several rain storms. With dry roads between them and home he found at noon it hadn't rained at all.

CHAPIN

Mrs. F. M. Roberts and son Donald, and Harry Crabtree motored to Jacksonville Tuesday afternoon.

Dr. E. O. Hess of Jacksonville made a professional call Tuesday evening.

Ed Joy of Joy Prairie called on Chapin today.

The Chapin Woman's Club met with Mrs. H. O. Smith Tuesday afternoon. Roll call was answered by Current Events. After the business session delightful refreshments were served.

Professor Hess and wife spent Sunday in Beardstown.

Mother's Day will be observed at the Christian church Sunday morning May 14th. A special program has been prepared.

Mrs. John Griffin who has been quite sick is out again.

Jacob Hoover who has been laid up with the asthma is out again.

B. J. Taylor motored to Jacksonville Tuesday morning on business.

Earl Smith called on Jacksonville merchants Monday.

J. O'Neill Declares His Long Standing Stomach Trouble Was Completely Overcome by Taking Tanlac.

"Tanalac has meant good health to me. I am only too glad to join in praising it," said Robert J. O'Neill, well-known advertising man of 6541 Woodlawn Ave., Chicago, Ill.

"Two years ago I commenced having stomach trouble. It ate my little, having no appetite, and suffered from sourness, and heartburn. My nerves were all unstrung and I lay awake nights so much I was all worn out all the time and thought would never get through a day's work.

"Well, four bottles of Tanlac have put me in tip-top shape. I am rid of my former headaches, sleep well at nights, and can do better work. Tanlac is far ahead of any medicine I ever saw."

Tanalac is sold by all good druggists.—Adv.

SENATE MAKING HASTE WITH THE TARIFF MEASURE

Get Thru First of 1700 Paragraphs of Bill in One Day

(By The Associated Press)

WASHINGTON, May 10.—Sharp clashes between Republican and Democratic leaders marked senate consideration today of the tariff bill. Referring to the night session decided upon by the majority and starting tonight, Senator Simmons, Democratic leader, charged that the Republicans were driving with whip and spur and indecent haste to pass the measure.

Senator McCumber in charge of the bill countered with a declaration that the Democrats were undertaking to kill the legislation by means of a filibuster and declared that the Republicans proposed to defeat that purpose.

The charge of delay was renewed later by Senator Smoot, ranking Republican on the senate finance committee who after an exchange with Senator Jones of New Mexico a Democratic member declared he was not going to be a party to "time killing" by undertaking to explain how the committee arrived at every rate in detail when no explanation would be satisfactory to the senator.

Senator Jones declared the people of the country were entitled to know just how the committee reached its decisions on the proposed duties. Senator Simmons said time would be necessary for discussion. He added that the minority wanted to see it passed before the election as they were satisfied the country would condemn it and those responsible for it.

Specifically, the chemical schedule came up again today. During discussion of it Senator Hitchcock, Democrat, declared it was directed against Germany for the purpose of destroying import trade with that country.

Remarking that the senate finance committee was "trying to frighten the people with the ghost of Germany," Senator Jones declared that country received only 29 per cent of its prewar trade.

Finally the senate voted down two different amendments to the tariff bill and then approved the senate rate of 8 cents a pound. The committee rate of 1 1/2c a pound on oleic acid also was approved before the night session got under way.

The senate got thru the first of 1700 paragraphs of the bill at its night session. Committee amendments proposing duties of four cents a pound on oxalic acid; two cents on phosphoric acid; 12 cents on pyrogallol acid and 1 1/2c on stearic acid were approved, efforts to amend some of them failing.

CHURCH NOT READY TO ABANDON CLAIMS

Genoa, May 10.—Monsignor Pizzardi, deputy secretary of state for the Vatican explained to The Associated Press this evening that a supposition heard in conference circles that the Holy See was ready to abandon its claim for the restitution of church property in Russia was incorrect. He said the real situation at the Vatican was as follows:

"The Catholic church was in a bad condition under the czar, owing to systematic persecutions by the autocratic government experienced further losses thru the nationalization of its properties by the Bolsheviks. But the Vatican, realizing the impossibility of the soviet government's surrendering its fundamental principle namely the abolition of private property is ready to have restitution of church property interpreted in the sense that the use of those properties should be given to the church authorities. This could be done by granting church property the same treatment as powers except to have the soviet government accord them with reference to foreign property in general."

AMERICA AGREES TO BRITISH MANDATE

(By The Associated Press)

GENEVA, May 10.—The American government finally has consented to the British mandate for Palestine, the Earl of Balfour informed the league of nations tonight. Tomorrow he will request the council to confirm the British mandate for Palestine during its forthcoming sessions, according to information obtained tonight. The Earl of Balfour will tell the council that there no longer is any adequate reason for withholding approval of the mandate as Great Britain and the United States have just concluded a formal agreement after one year's negotiations. He informed the league today that final approval of the mandate by the American government came to the British government from the state department at Washington in a recent note. In serving notice tomorrow that he intends to press for final action with regard to Palestine during the meeting of the council the Earl of Balfour will not urge approval at tomorrow's session because Great Britain has not obtained the consent of the United States to the publication of the text of the agreement.

NEED NOT FILE EXPENSE ACCOUNT

Washington, May 10.—Attorney General Daugherty's ruling that senatorial candidates under the supreme court decision in the Newberry election case that the Michigan senator need not file campaign expenditures statements with the senate today caused Senator Pomerene, Democrat, Ohio, to press for remedial legislation. Senator Pomerene arranged for consideration at a meeting of the senate rules committee next Friday of his resolution to fix campaign expenditure limits, introduced after the Newberry decision.

CONFERENCE ON THE POLITICAL OUTLOOK

Washington, May 10.—The political outlook was discussed at a conference today between President Harding and Senator McCormick of Illinois, chairman of the Republican senatorial campaign committee. Fred W. Upham, treasurer of the Republican national committee, also conferred with Mr. Harding before going to New York Friday to hold a conference with Charles D. Hilles, Republican national committeeman from New York, and chairman of the finance committee of the Republican national convention.

NATIONAL BANKS SHOW DECREASE

Washington, May 10.—Resources of national banks in March amounting to 19,850,402,000 including rediscounts, showed a decrease of \$1,601,326,000 compared with February 1921, and a decline of \$93,340,000 compared with December, 1921, according to the latest abstract of reports of conditions issued tonight by Comptroller of the Currency Crissinger.

Total deposits of the banks at the March call amounted to \$15,390,438,000, showing a decrease of \$87,916,000 compared with February, but an increase of \$315,336,000 compared with December.

STUDENTS CLASH WITH POLICE

EVANSTON, Ill., May 10.—Freshmen at Northwestern University clashed with police and firemen tonight when a bonfire built by students threatened to melt a trolley wire. The bonfire had been started for the purpose of burning green freshmen caps.

The clash occurred when the police attempted to make way for the fire department called to extinguish the blaze. Students were quelled with streams of water after two firemen had been knocked down. Following this attack students are said to have entered an ice cream parlor where dishes were broken. Police then fired several shots into the air and the students fled.

FLOOD WATERS IN MANITOBA

Winnipeg, Man., May 10.—Heavy rains thruout the night have contributed to a further rise of the Assiniboine river and protective dikes along its banks have been swept away with the resultant inundation of thousands of seeded acres hitherto out of danger, according to reports today.

CHINESE PRESIDENT ISSUES NEW DECREE

PEKING, May 10.—President Hsu Shih Chang today issued a decree to the effect that hereafter each province in China shall be responsible direct to the central government, instead of thru military dictators.

GH, GIRLS! WHAT DO YOU THINK OF THIS?

(By The Associated Press)

CHICAGO, May 10.—The modern high school girl is round-shouldered, flat footed and undernourished, according to Dr. Caroline Hedger, of the Elizabeth McCormick Institute, who addressed the vocational education convention today.

"Modern girls, it seems to me, have neglected their beauty," said Dr. Hedger. "They show a lack of rest, fresh air play and good food."

"One mistake parents make is to keep their daughters dependent upon them. A girl should be mentally weaned from family life at the age of 18. A gradual responsibility should be placed upon her shoulders."

AMERICAN LEGION NEWS NOTES

Bloomington, Ill.—Formation of county organization of The American Legion and in Cook county the organization of an American Legion "senate" have brought a new influence into Legion affairs in Illinois, according to announcement here by Department Commander William R. McCauley.

The first meeting of the Legion "senate" of Cook county has been set for May 3. Each Post in Chicago and vicinity will have three delegates, whose purpose, according to the senate program, will be solely to make the Legion in Cook county a strong and fast growing unit.

Success of the "senate" is already assured. Its preliminary organization received impetus by the absorption of the Legionnaire club of Chicago, and of the Cook County Commanders' association. Five officers of the "senate" were selected from five different legion posts. William P. Simmons, former commander of Ravenswood post is the president.

Down state several county organizations have been formed or planning formation. The latest was that formed at the Perry county convention of the Legion at DuQuoin, April 9. John H. Reed of DuQuoin was elected president and the date for the first regular meeting of the new organization was set for early in May.

This close co-operation of The American Legion Posts was commended by Department Commander McCauley, who pointed out the approach of the referendum vote on a state bonus in November, and suggested that county "senates" could serve effectively in unifying and strengthening the publicity campaign in support of the referendum.

FIVE MISSING IN NEBRASKA STORM.

OMAHA, Neb., May 10.—Five persons are missing, a score or more are suffering from minor injuries and property damage, believed to be large, has resulted, following a tornado that struck near Lexington, Neb., at 7 o'clock tonight, according to meager reports received here.

The family of Ben Berman, consisting of Berman, his wife and three children are believed to have been in the Berman farm home which, it is reported was carried away by the tornado. No trace of the building has been found.

GOLDSTEIN'S NAME HAS BEEN WITHDRAWN

Washington, May 10.—The nomination of Nat Goldstein of St. Louis to internal revenue collector for the eastern Missouri district, was formally withdrawn by President Harding tonight. The action it was explained, was taken at the request of the nominee.

Mr. Goldstein's request that the nomination be withdrawn was made in a letter to the president and this was made known in the senate today by Senator Spencer, Republican, Missouri, who recommended the appointment.

STORM IN SOUTHERN ILLINOIS KILLS TWO.

EAST ST. LOUIS, Ill., May 10.—Two men were killed, a boy was burned severely and considerable damage as a result of a rain and windstorm here and in Southern Illinois today.

Special Bargain

Southeast Missouri Farm

319 acres all level black loam land located two miles from Sikeston on hard road, well improved, all in high state of cultivation; good improvements.

In 1921 owner refused \$250 per acre; it is priced NOW at \$160 per acre. There is a loan of \$30,000 on this farm running for 30 years at 6% or can be paid off at any time. \$12,000 cash will swing this farm.

J. A. Weeks

Arenzille, Ill.

FARM BUREAU NOTES

Morgan County's Increasing Acreage of Alfalfa

The last six farms visited have each had an alfalfa field recently started. S. E. Davies, south of Orleans, has a small field on an old feed lot. This alfalfa in this patch is doing nicely, altho it has never been limed. A soil test shows that this soil does not need lime, altho fields a few hundred yards distant are distinctly acid.

A. H. Schumacher, H. H. Schumacher, Henry Detmer, Theo. Tapenbeck and Henry Eckhoff, north of Chapin have gotten nicely started. At H. H. Schumacher's one part of the field has had two tons of limestone per acre while the remainder has had four. The alfalfa where the four tons were applied is much more promising than where two tons were used. On the Eckhoff farm there are now three fields. They plan to seed an additional twenty acres this fall. In the last seeding they used Dakota No. 12 seed. In the future they expect to use Grimm.

Twenty Acres of Hubam

Edwin Eckhoff of Chapin seeded twenty acres to Hubam clover. Altho the season made the seeding somewhat late, it will give an honest to goodness first trial.

Chinch Bugs

The wet weather did not kill the chinch bugs. In a recent drive along the Waverly road we found them in the air thick enough to indicate danger. One of the farmers near Chapin reports their presence in his wheat in alarming numbers. George Orear of Orleans is also of the opinion that we are in for some trouble with the bugs. He is going to plant thirty acres of Democrat corn where he thinks an outbreak is sure to occur.

BOYS FILLING OUT SELF ANALYSIS BLANKS

About fifty self analysis blanks have been in circulation in recent days thru the Y. M. C. A. and the H. Y. club. Friday at 5:30 o'clock the boys who have filled out these blanks are to meet a group of business men at Central Christian church. At that time some further explanation will be given and supper will be served at 6:15. Then the appointments for interviews will be made.

PICTURE THEATRE OWNERS ELECT

Washington, May 10.—Sydney S. Copen of New York was unanimously re-elected president of the Motion Picture Theatre Owners of America today.

Joseph Mogier, of Missouri, was elected second vice president.

ADMINISTRATOR'S NOTICE.

Estate of Charles T. Suter, Deceased.

The undersigned having been appointed administrator of the estate of Charles T. Suter late of the County of Morgan and State of Illinois, hereby gives notice that he will appear before the County Court of Morgan County, at the court house in Jacksonville, at the July term, on the first Monday in July next, at which time all persons having claims against said estate are notified and requested to attend for the purpose of having the same adjusted.

All persons indebted to said estate are requested to make immediate payment to the undersigned.

Dated this 26th day of April A. D. 1922.

The Farmers State Bank and Trust Company, Administrator.

W. N. Hairgrove, Attorney.

ALLEGED SWINDLER ARRESTED; ESCAPES

(By The Associated Press)

DES MOINES, Iowa, May 10.—Alleged to have swindled rural Iowa clergymen and their parishes out of sums estimated at many thousands of dollars, W. A. Lesch was arrested today only to escape later by a ruse.

Charges against Lesch were preferred by Father Joseph Wolf of a Catholic church at Manning who alleges that Lesch swindled him out of \$700 and then used the priest's name to obtain many thousands from members of the parish. Similar schemes are said to have been operated in Cass and

other counties of the state. Lesch arrested at a hotel told the sheriff he was too ill to be removed to the jail. The warrant was served and the "sick man" was permitted to remain in bed. Two hours later he escaped.

WELL KNOWN ACTRESS IS DEAD

New York, May 10.—Sylvia Thorn, 55, an actress well known on the stage here and in London for 35 years, died today. She was prominent in musical plays. Weber and Fields and had appeared with Lillian Russell. Recently she played with the Ralph Dunbar Company in Chicago.

In Congoland, men do the sewing and wash the clothes.

"Confound that Underwear, Anyway"

What's the Matter; Get Some That Didn't Fit?

—The "fit" of a garment that doesn't seem to bother much in cool weather, becomes intolerable when things "warm up a bit."

—Now we pride ourselves on the physical comfort to be had by wearers of the undergarments we sell. There's all the difference in the world in the way a garment is fashioned, and this fact coupled with the quality of the fabric, spells comfort or misery to the wearer. This goes also for shirts.

WHERE ARE THE ASHES

To the Journal:

When the present management undertook to clean up the city and keep it so, they didn't know human nature like they do now. They didn't know that a mountain grew in the alleys of the city and that the anvil chorus had nothing what ever on the rattle of the city's cans as they went to the dump.

Innocent looking piles of ashes became cemeteries for dogs, cats, chickens and pet canaries and the drivers of the wagons all had instructions on how to act if any human cadavers turned over the shovels. Fifteen good strong men, thirty heavy horses and a circus parade of dump wagons rolled continuously for two weeks and a half solid and there are some ashes and cans left.

Piles of ashes one and two years old had to be picked to pieces and shoveled. Often a ton or two of cement, brick and guttering tin made the work doubly hard, but thank the stars they are almost all gone.

Over sixteen hundred loads have been hauled to date, and that don't count over one hundred loads of cans, baby carriages, soap tin, wire fence, crockery, rat traps and old furniture. Just because the boss was easy a good line stove and oven were called tin cans and put out in front. A dead cat or dog became ashes and the donor did the driver a favor by telling what a good one it used to be. Pedigrees like that smell too loud for a city lot filling.

Where it all went

We had six dumps and each one of them show for it and tell a story all its own. Part of the worst of it went to the public dump. Some to the old pumping grounds. The west end ashes went to fill the big swale on the old Short place. The south and east parts of the city went to the lot on South Church street and the Andrus lots on South East street. A casual glance at these lots tells its own tale.

No wonder all coal men are millionaires. Its simply because there are so many ashes. Good deduction. A lot of ashes, cinders and clinders went to fill lots and driveways. A very few found their way into mud holes, but city authorities raised a howl so we had to stop that and sixty some odd loads went into the North Main wash-out. In one place we found five loads of good ashes within fifty feet of a chuck hole in an alley where cars and wagons got stuck every day. Some more human nature.

Wherever adjacent property owners have scattered their ashes in the alleys back of their homes a good firm, dry road has resulted. Mud holes, water puddles and chuck holes have followed their neglect to do this. This is especially true in the east and north parts of town, and some places in the south end.

The Tin Crop Crop

As I have said before, tin cans this year have meant baby carriages, old bath tubs, incubators, wash tubs, guttering, roofing, fencing, old wire mattresses and tin cans. Now gentle folks in general view of these things, but your mayor asked for a clean job. We are still cleaning and as we like

your little mayor we are going to please him if possible.

Wherever your pile has not been too forbidding we have carted it off, but you sure had some pile. Now just one little suggestion. In the army they had lots of tin cans. Tin cans hold water and soon become festering spots from the sight as well as health. In order to avoid this the boys, who went, tell me that every can had to be mashed flat.

Mash Your Tins
This can be done very easily either with an axe or some home made design for that purpose. As a result your unsightly tin can pile becomes a small mound of solid tin, easily handled, dry and quickly disappearing in rust. Please do this and help our wagons for we are going to keep on cleaning up and we want your help.

Help the City

Wherever you have an alley back of your lot put your cans in a box and fill the mud holes up with your scattered ashes. Even tho the city may not like it, you are doing the city a big favor. There are dozens of places to prove the contention.

Burn, Burn, Burn

Burn your trash. We have hauled off tons of refuse stuff that should have been burned for the reasons stated above and when we call next time kindly point out the little pile of ashes, and tell the driver to take it away.

Human Nature

This element has been the salt that made fun out of the whole job. It would have become very tiresome if the drivers did not anticipate something new turning up in each yard. Judge for yourself. Mrs. Kick had just purchased a two year pile of ashes with her new home, planted flowers all around it and turned in a hurry call for the ash wagon. Some call too.

When we got there the horses were so ignorant as to step on two flowers. They caught fits. The driver moved part of the flowers for her and all the ashes, and has since taken out accident insurance. At another place, they had made an even line between two houses. Your Uncle Tom went down himself to quiet things. One of the ladies told him the history of the other and inside of five minutes he had the pedigrees of the whole lot. Then a male bachelor came on the scene and the only way we got our ashes was by keeping our mouths shut and letting a woman and a man yell their heads off while the driver made the ashes fly. The driver almost turned gray in a single hour. When we go there again we are going to have a sheriff, a policeman and a coroner along for self protection.

We're not afraid but we hate to miss up the Wash Park. These are some of the milder cases. Now folks, we think we've done pretty well. If we have missed you, call up, one three nine, Water Superintendent office, and he'll fix us so we'll come quick. If you think we've done any good go to Farrells bank and tell the Mayor.

AN INTIMATE OBSERVER.

TO OBSERVE FRIDAY AS HOSPITAL DAY

All Friends of Passavant Are Invited to Visit Institution on That Day—Program Has Been Prepared.

Tomorrow, Friday, will be hospital day and all friends and well wishers of Passavant hospital are invited to the institution to have a good time. It is intended to have a picnic dinner on the grounds and all are requested to bring dishes and provisions while the ladies of the hospital aid society will supply coffee to all who desire it. From 10 a. m. the institution will be open to visitors but it is greatly desired that all who wish to go thru the building try to be on hand for that purpose before noon the all will be welcome at any time.

It is the especial desire of the trustees to impress on everyone that the hospital is not the enterprise of the city alone but is the property of Morgan county and adjacent territory and all Protestant churches are urged to feel that the work is theirs, the hospital is theirs, and they are welcome visitors and their help in promoting the welfare of the institution is especially desired.

The invocation at dinner will be by Rev. Mr. Allen of Waverly.

After dinner, when all are ready, the guests will be called to order by A. A. Curry, president of the board, when a program will be carried out. Addresses will be made by the following:

Meaning of Hospital Day—Hon. H. H. Bancroft.

Passavant Hospital—F. E. Farrell.

The relation of the county to the hospital—C. A. Rowe.

Closing prayer—Rev. J. L. Wallace of Concord.

It is the desire of the trustees to have all persons acquainted with the hospital, its work, its needs and its accomplishments. The institution is registered and under the inspection of the state and the aim is to have everything done in first class manner and to care for the needs of the sick and afflicted in the best manner possible.

WOODSON DOMESTIC SCIENCE CLUB MEETS

Regular Session of Club Held Wednesday Afternoon at Home of Mrs. Margaret Kitchner—Other Woodson News.

WOODSON, May 10.—The Woodson Domestic Science club held a regular session Wednesday afternoon at the home of Mrs. Margaret Kitchner with a large number of members in attendance. The roll call was responded to with the name of a leader of industry. A paper on "The Evolution of Industry" was given by Mrs. Flossie Ranson, and another paper by Mrs. Bess McKean on the theme "The Possible Solution of the Present Crime Wave."

Plans were made for the next meeting, which will be a picnic at the home of Mrs. Agnes Megginson Wednesday, May 24. After the program the members enjoyed a social hour and the hostess served delicious refreshments.

Other News Notes

Eugene Steinmetz of St. Louis spent Sunday with his parents, Mr. and Mrs. Jack Steinmetz.

Mr. and Mrs. George Cunningham and family spent Wednesday evening with friends in Jacksonville.

There will be a stereopticon lecture at the Presbyterian church next Sunday evening, given by the pastor, Rev. A. E. Powell. Everyone is invited to attend.

Mother's day will be observed at the Presbyterian church next Sunday morning and there will also be a special observance of the day at the Christian church at the same time.

Miss Marguerite Steinmetz is spending a few days at the home of Mrs. Wendell Duger in Scottsville.

RETURN TO DECATUR

Mr. and Mrs. H. A. Vahe and son Harold have returned to their home in Decatur after a visit at the home of William Tendick and family at 503 South Diamond street

RELIEF BY FAMILY SOCIAL WORK AGENCY

Over 24,000 was expended for charity by Morgan County from September 1, 1920 to September 1, 1921. The proportionate share of Jacksonville precinct, distributed according to population would be about one half this amount or, \$12,000. This amount of money, wisely spent, would aid greatly in task of eliminating the causes of poverty and the necessity of relief work.

Since May 1, 1921, county relief in Jacksonville precinct has been supervised by the Social Service League. The advantages of this plan are four fold.

(1) An itemized statement of all relief is submitted to the county commissioners at each quarterly meeting.

(2) A study of the situation often reveals other sources of relief, thus removing the need of public relief.

(3) Each application for relief is carefully studied not only to determine whether relief is needed but also to find the cause for this need and by whole hearted cooperation with the individual or the family seek to remove that cause.

(4) Follow up work after relief is no longer needed helps to get the family more firmly re-established.

The value of an itemized record is obvious to need any explanation.

Four families that have been under care show how county funds can often be saved and the individual better cared for than could be done thru county relief alone.

A woman apply for relief for her aged parents. She and her husband were able to give two rooms at their home where the old couple, no longer able to work and care for themselves, could still have a home of their own.

But this help and the supplying of fuel was all that they could give from their own scanty income. Temporary relief consisting of a weekly grocery order of \$3 was given while a plan was being worked out. The S. S. L., thru the family welfare society of a distant city got in touch with a son from whom they had not heard for sometime. Letters from his parents had failed to reach him and he welcomed the news which came to him thru the League. He has agreed to send a definite amount regularly to the S. S. L., which is to be expended by the League as a trust fund. A niece and a nephew keep them in clothing and furnish various little luxuries and the old couple are happy in the assurance that they do not have to "depend on the county."

A hospital bill for \$59 came to the county clerk's office from an overseer of the poor in another county. A woman giving Jacksonville as her home had entered the hospital there after having lived there only 9 months. Investigation revealed the fact that her husband had been a resident of Jacksonville until his death several months ago, but she herself, altho returning to Jacksonville last January had not lived here for the past four years and was not legally entitled to hospital care at the expense of the county.

After talking with the woman she agreed that the bill was her own responsibility and she is planning to pay it her self as soon as she is able to go to work.

A study of the situation where relief seems to be needed often brings to light a difficulty which once solved removed the need of further relief. A colored man who lost both legs and his right arm in a railroad accident has shown unusual industry in caring for himself. But his handicap was too great to be entirely overcome and he has had to have county relief for several years. The Social Service League with the splendid co-operation of the people of his own race and the State Department for the Rehabilitation of Cripples has had him fitted with a pair of artificial legs. A fund raised by the church of which he is a member is being made to start him in a line of work that will eventually make him self-supporting.

Last fall the family B consisting of father, mother and three children, boys of 17, 7 and 5 came to Jacksonville. Several years of farming in a western state had ended in failure and Mr. B returned to his native state penniless. Discouragement and hardship brought on a physical and mental breakdown in Mrs. B. During her 5 months stay in the hospital the family shared two rooms of the four room house they were occupying with a family of five, to keep down expense. Mr. B and George, the oldest boy could get only a few days' work now and then and relief was given more less regularly thruout the winter. The lack of a mother's care was apparent in the children. Mrs. B. showed improvement at the hospital but the doctor would not let her return home until home conditions were more satisfactory.

factory. After much weary searching on the part of the S. S. L. visitor, and Mr. B., a tiny four room house was finally rented. The location was not the best but the house was in good condition and there was a yard for the two little boys to play in and space for a garden. An advertisement inserted in the paper by the S. S. L. bought gifts of enough furniture to start the family in house-keeping. Mrs. B. is now home and in better health than she has been for years. The children are clean and happy and the little home is well kept. George has a job and Mr. B. has part time work. A weekly allowance of groceries without the Social workers' sympathetic assistance in helping the family plan would never have put this family on its feet. The worker still keeps in friendly touch with his family.

S. S. S. Fills Out Hollow Cheeks, Thin Limbs!

Men and women, whether you will ever build yourself up to your normal, just-right weight depends on the number of blood-cells in your blood. That's all there is to it. It's a scientific fact. If your blood-cell factory isn't working right, you will be run-down, thin, your blood will be in disorder, and perhaps your face will be broken out with pimples, blackheads and eruptions. S. S. S. keeps your blood-cell factory working full time. It helps build new blood-cells. That's why S. S. S. builds up thin, run-down people. It puts firm flesh on your bones, it builds out your face, arms, neck, limbs, the whole body. It puts the "pink" in your cheeks. It takes the paleness from the eyes, and it folds Father Time by smoothing out wrinkles in men and women by "plumping" them up. S. S. S. is a remarkable blood-purifier. While you are getting plump, your skin eruptions, pimples, blackheads, acne, rheumatism, rash, tetter, blotches are being removed. The medicinal ingredients of S. S. S. are guaranteed purely vegetable. S. S. S. is sold at all drug stores, in two sizes. The larger size is the more economical.

QUICK RELIEF FROM CONSTIPATION

Get Dr. Edwards' Olive Tablets

That is the joyful cry of thousands since Dr. Edwards produced Olive Tablets, the substitute for calomel. Dr. Edwards, a practicing physician for 17 years and colonel of old-time army, discovered the formula for Olive Tablets while treating patients for chronic constipation and torpid livers. Dr. Edwards' Olive Tablets do not contain calomel, but a healing, soothing vegetable laxative. No gripping is the "keynote" of these little sugar-coated, olive-colored tablets. They cause the bowels and liver to act normally. They never force them to unnatural action. If you have a "dark brown mouth"—bad breath—a dull, tired feeling—sick headache—torpid liver—constipation, you'll find quick, sure and pleasant results from one or two of Dr. Edwards' Olive Tablets at bedtime. Thousands take them every night just to keep right. Try them. 15c and 30c.

DETROIT DEFEATED BOSTON 10 TO 9.

BOSTON, May 10.—Doubles in the ninth by Bassler and Blue scored what proved to be the deciding run and Detroit took today's game from Boston 10 to 9. Daus got a home run.

Score:—
Detroit 040 102 111-10 12 5
Boston 030 300 210-9 14 2
Pillette, Daus and Bassler; Pennoek, Karr, Quinn and Walters, Chaplin.

TIMELY HITTING DEFEATED CARDINALS

ST. LOUIS, Mo., May 10.—Sensational fielding of the Giants saved Art Nehf from defeat today, the Cardinals losing 3 to 2. Pfeiffer and Barefoot could not stop timely wallops and were handicapped by errors. Hornsby hit a home run and Nehf made three safeties.
Score:—
New York 000 020 100-3 7 0
St. Louis 000 000 110-2 9 4
Nehf and Smith; Pfeiffer, Barefoot and Clemens.

WALTER JOHNSON DEFEATED ST. LOUIS

WASHINGTON, May 10.—Johnson pitched Washington to a 2 to 1 victory over St. Louis in his second start of the season today proving effective in the pinches, altho hit hard early in the game.
Judge's triple after two passes had been issued by Davis gave the Senators their scores. It was Washington's first victory after seven straight defeats.
Score:—
St. Louis 000 001 000-1 9 0
Wash 002 000 00*-2 5 0
Davis and Severeid; Johnson and Picinich.

H. S. STUDENTS AT L. W. C. TO GIVE PROGRAM

Recital to be Given This Evening By High School Pupils of Illinois Woman's College of Music
The high school pupils of Illinois Woman's College of Music will appear in a recital tonight at 8:15 o'clock. The program will include the following:

NEW SOCIETY IS FORMED AT ILLINOIS COLLEGE

Illinois college now has a new society, the Phi Delta Sigma, according to announcement made yesterday by Professor Poage. The new society was organized under the direction of the National Honorary Scholarship societies and only those who have won honorary scholarships are eligible as members.
The faculty each year will choose as members the two highest juniors of the class and not to exceed one seventh of the members of the senior class, provided a certain scholarship standard has been reached.
The first members thus appointed are: Glenn Weaver, Helen Jones, Violet Murphy, Mary Alice Pearce, Mabel Ruyle, Richard Hobson and John Fierke. The first public appearance of the members will probably be at the commencement exercises in June.

EAT PRINCESS PIE

COLLEGE AVENUE PAVEMENT OBJECTIONS ARE HEARD

Judge A. E. Martin was here Wednesday to hear objections to the proposed paving of West College avenue. W. T. Weston and E. P. Brockhouse were attorneys for the objecting property owners and alter Bellatti and Paul D. Moriarty appeared on behalf of the city. Objections of a technical kind were urged, together with other objections, charging inaccuracies in the specifications.
The city had as an expert witness with reference to specifications L. L. Harper, city engineer of Quincy. The principal witnesses for the property owners were Earl B. Wiswell, and John F. Berry. The case was not finished and Judge Martin entered an order continuing it until next Wednesday.

MURRAYVILLE BASE BALL FANS ORGANIZE

A number of Murrayville base ball fans met Tuesday evening and effected an organization for the ensuing year. It is the purpose of the new organization to further the interest in the popular sport and it is the expectation that a first class team will be formed in Murrayville. The board of directors includes the following: Charles Koyne, J. L. Solomon, Warren E. Wright, James Myers, James Loneragan, S. B. Jones, Otto Finch. The manager of the new team will be C. E. Rousey, while Thomas Doyle will be the captain. Warren E. Wright is the secretary and treasurer.

Robert Johnson of Quincy is visiting in Jacksonville for a few days at the home of Mrs. E. E. Moore on Goltra avenue.

REDS HAD LITTLE TROUBLE WITH BOSTON

CINCINNATI, O., May 10.—Boston hit Luque and Gillespie hard and had little difficulty in defeating Cincinnati today 9 to 3. Southworth's home run in the eighth inning bounded into the right bleachers. Fillingim was hit in only two innings.

Score:—
Boston 000 210 222-9 13 1
Cincinnati 002 000 001-3 8 2
Fillingim and Gowdy; Luque, Gillespie and Hargrave.

DYKE'S HOME RUN WINS FOR PHILADELPHIA

PHILADELPHIA, May 10.—Dyke's home run drive in the 8th inning scoring Miller today gave Philadelphia its second straight victory over Cleveland 7 to 6. The Indians drove Heimach and Moore from the mound, but Yarrison and Harris checked the visitors in the final frames when the Athletics were bunting their hits off Sothoron.
Score:—
Cleveland 300 000 300-6 11 2
Phila 100 040 02*-7 8 3
Sothoron and O'Neill; Heimach, Moore, Yarrison, Harrison and Perkins.

PROMINENT AUTHOR TO SPEAK HERE TODAY

William Heylinger, Author of "Boys' Books, to Make Addresses at Local Schools—Is Gathering Material for New Story.

William Heylinger, who is a member of the American Boy Magazine editorial staff and author of a number of books for boys, will be in the city today and make addresses at both the high school and the Junior high school.
Mr. Heylinger is making a tour of a number of states for the purpose of assembling material for a new story dealing with school life. He has delivered his famous lecture, "What Reading Does for You," to more than a hundred high school audiences, and the students of the local schools are fortunate in having the opportunity to hear him.
The lecture is made up principally about men and boys whom the author has known and of the effect which reading has had upon them. The author has for years made a study of the effect of reading upon the individual character and his conclusions have been published in a number of well known magazines.
Mr. Heylinger's most popular stories are "Bartley, Freshman Pitcher," "Don Strong, American," "Fighting for Fairview," "High Benton," and "High Benton, Worker." He has the faculty of weaving into his stories the highest of ideals and sentiments and the reading of them cannot fail to have a very decided effect upon the life of the boy.

MERCHANTS MEET TO TALK ABOUT BUSINESS

Trade Extension Committee of Chamber of Commerce Arranges Booster Meeting for Merchants

About one hundred local merchants attended a meeting Wednesday morning at the Chamber of Commerce headquarters, when various plans were discussed for boosting business. The meeting was arranged by the trade extension committee, of which Lloyd Reid is the chairman.

One of the plans which met with favorable action at the meeting yesterday was that for a merchants' display week. This will probably be arranged for some week in the near future, and judging by the interest displayed yesterday the movement will be a great success.

Another plan which was discussed was with reference to a demonstration week, when each merchant would arrange a special demonstration of goods in his particular line.

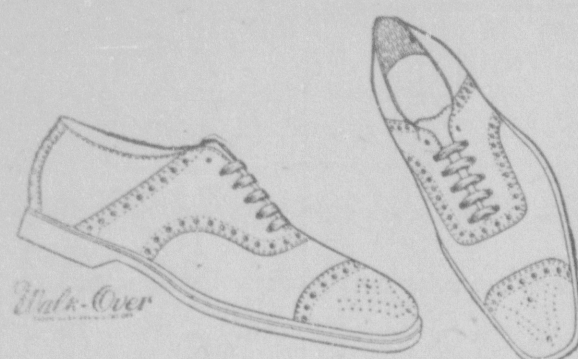

CLOSING EXERCISES AT ROUTT SCHOOL

Thursday was the termination of a very successful year at the Routt school, south of the city. The event was observed by a basket dinner which was well attended by the patrons of the school.

Recitation, Supper—Moneta Costello.

Recitation, We All Must Scratch—Mary Harney.

Song, Apple Blossoms—School.

Feet are Primarily for Walking

And remember that shoes are worn primarily to protect the feet.

That's what you pay for—good leather, good workmanship, and fine fitting—and that's what you get in a Walk-Over Shoe.

You never have to worry about the style of a Walk-Over. Good leather and good workmanship take care of that.

Just now we are showing some very new styles just received in plain toes with the instep saddle.

GRAND JURY MAY BE DISCHARGED TODAY

Present Grand Jury Session Will Probably be one of the Briefest on Record—Orders Entered in Several Cases Wednesday.

The grand jury, it is understood will make its report to Judge Burton this morning at 10 o'clock and receive its discharge for the term. If this is done the grand jury session will be one of the briefest on record, as the jury was not convened until Monday afternoon and so less than three days time has been spent in its deliberation.

The members of the bar will meet with Judge Burton this morning to set the criminal docket. It is understood that these cases will be heard the week beginning May 22 and the court will not be in session next week Judge Burton entered orders in a number of cases yesterday.

In the assumption suit of Gates Strawn as administrator of the estate of Julius E. Strawn, against the Blue Flag Mining Co., an order of continuance with alias writ was entered.

In the debt action brought in the name of the people of the state vs. J. Walton Ward, et al., the case was dismissed by the state's attorney.

In the suit of Walter Ayers vs. Jacksonville Railway Co., demurrer was sustained to the declaration on each count and leave was given the plaintiff to file an amended declaration on the additional counts.

In the suit of James M. Emmons against the Jacksonville Railway Co., the cause was heard on demurrer to the declaration and taken under advisement.

Chancery.

In the suit of Noah Hudson et al. vs. John Garvin, brought to set aside will, exceptions to the master's report overruled and a special plea was overruled. Leave was given to defendant Johnson as executor to bill as for all complainants except Julia Schofield.

A decree of divorce was entered in favor of Mrs. Hattie Hamm, who charged her husband, Monroe Hamm, with desertion.

A decree of divorce was granted in favor of Luther Vieira against his wife, May Vieira, whom he charged with infidelity.

In the foreclosure suit of E. W. and W. A. Crawford against Olive P. Craig, order of reference to the master was made.

In the suit of M. F. Dunlap vs. Calvin Lawson, the master's report was filed together with objections of Calvin Lawson, the defendant in the original bill and complainant in the cross-bill. By was entered that objections presented to the master and filed by him stand as exceptions to the master's report.

SOCIETY

Hostess to Bridge Club

Mrs. Reaugh Jennings entertained the members of her bridge club yesterday afternoon at her home on Park street. After the hours of cards the hostess served a dainty luncheon. Mrs. Edgar McGinnis was a guest of the club at yesterday's meeting.

West Liberty Aid Met Wednesday

The West Liberty Aid society met with Mrs. Minnie Coultas Wednesday afternoon west of the city. There were a good number present. No special business was brought before the club during the afternoon so the members spent the time sewing for Passavant hospital. At the close of the meeting delightful refreshments were served by the hostess.

Entertain I. C. Seniors

Dr. and Mrs. J. M. Wolfe entertained the members of the Senior class of Illinois College last evening at their home on West College avenue. Miss Irma Wolfe is a member of the graduating class this year. The affair was an informal party and the evening hours were pleasantly spent with music, games and dancing. Attractive refreshments were served in the course of the evening. Dean G. H. Scott, the senior faculty advisor and Mrs. Scott were special guests at the affair.

Entertains Card Club

Mrs. James Cridland was the hostess at the meeting of her bridge club yesterday afternoon at her home on South Church street. The afternoon hours were pleasantly spent in playing and at the close of the afternoon the hostess served delicious refreshments.

Men's Class to Have Banquet

The members of the Men's Bible Class of Grace church are to enjoy a banquet this evening in the social rooms of the church. A six o'clock dinner will be served and a short program will be given afterwards. J. J. Reeve is the teacher of the class and J. W. Breckon is the class president.

Brooklyn Ladies Enjoy Birthday Social

The May Birthday Social of the Ladies' Aid Society of Brooklyn church was held yesterday afternoon at the home of Mrs. G. W. Randle at the parsonage. Mrs. Charles Curtis assisted Mrs. Randle as hostess for the afternoon.

The meeting was opened with a song by the entire society. Mrs. William Bond gave a reading and Mrs. Randle sang a solo, "Lord for Tomorrow and its Needs." Mrs. Nina Gaskins played a number of piano selections and Miss Nettie Platt gave a descriptive reading "The Old Man of the Mountain."

Following the program the members enjoyed a social hour. Music, games and the serving of delightful refreshments filled the better part of the afternoon in a delightful way.

Celebrate Wedding Anniversary

Mr. and Mrs. John Walsh celebrated their twenty-fourth wedding anniversary yesterday at their home 1139 South Clay avenue. At noon they were the hosts at an informal one o'clock luncheon in honor of the occasion and a number of friends and relatives were present to help them celebrate the day. Among the guests at the luncheon were Mr. and Mrs. F. B. Six and daughter Miss Harriett Six of this city, and Mrs. William Aulabaugh of Springfield who was a guest at the Walsh home yesterday.

Hostess to Larkin Club

Mrs. J. W. Harney very delightfully entertained the members of the Larkin Club yesterday afternoon at her home on West North street. This was the regular meeting of the club and there were about sixteen ladies present. The afternoon hours were pleasantly spent in a social way and at the close the hostess served an attractive luncheon.

Elks Plan Dance

The social committee of the Elks lodge is planning a dance to be given at the Elks' Home Friday evening. This will be one of the regular dances and promises to be a delightful affair. The Darley-Brown Serenaders will furnish music during the evening.

Grace Church Circle Meet Tonight

The Young Woman's Fellowship Circle of Grace Church will meet this evening in the church parlors for the regular session. The devotional services will be in charge of Miss Irene Groves and Miss Eunice Williamson will lead the discussion on the chapter from the study text book. A reading, "The People Who Have Waited," by Miss Gertrude Tompkins completes the program as planned. The circle is planning a pageant entitled, "Alma Mater," to be presented at the meeting of the Woman's Foreign Missionary Society at the church on May 29th. During the business meeting to-night plans for this pageant will be completed and the rest of the evening will be spent with an enjoyable social hour.

Hostess at Afternoon Tea

Mrs. John L. Johnson was the hostess at a delightful afternoon tea given yesterday at her home in Lockwood Place. The affair was an informal afternoon function the hours being from three thirty o'clock until five thirty. About fifty guests were invited and Mrs. Johnson was assisted in entertaining by a number of her friends. Spring flowers in profusion

TELLS ABOUT OVERSEAS POST WAR WORK

E. T. Irving Writes in Interesting Vein of What Dr. and Mrs. Julian Wadsworth Are Doing at Chateau-Thierry.

E. T. Irving who is quite well known in Jacksonville is now engaged in European travel and has written to the Journal from Paris, France, an interesting letter about his observation of the work of Dr. and Mrs. Julian Wadsworth at Chateau-Thierry. Mr. Irving is a cousin of Mrs. James I. Barrows and Frank Irving of this city and a graduate of Illinois College.

Paris, France, April 26, 1922.

Editor Journal, Jacksonville, Ill.

Dear Sir:

I have been very much interested in what I saw today at Chateau-Thierry of a community work being done by two former Jacksonville people, Rev. Julian S. Wadsworth and wife, and it occurred to me that possibly some of your readers might be interested.

I have been making a tour of the Mediterranean countries with my wife and oldest daughter since the first of the year. Today we took an automobile and drove to Meun, Belleau Woods, Vaux and Chateau-Thierry that we might see the battle fields where our American soldiers did such valiant fighting in the Valley of the Marne in 1918, and that we might stand with uncovered heads beneath Old Glory waving o'er the graves of the dead who sleep in the American cemetery.

At Chateau-Thierry our guide took us to a museum which is just an incident connected with the work of the Methodist Memorial. The museum itself however is of more than passing interest to all Americans, for here are parts of the war plane which fell at Chateau-Thierry, beside cannon, mortars, guns, souvenirs of German, French, English and American armies.

The Methodist Memorial was started as a monument to the American soldiers who died in France. It is located in a large building, formerly a hotel but well adapted to the use to which it is now put. The work has been financed by the Methodist Episcopal church with the Centenary fund. Every service rendered by the memorial is absolutely free to the 8,000 inhabitants of Chateau-Thierry. There is a trained nurse, weekly clinics, a day nursery, educational classes, sewing classes, a free circulating library of 1,000 volumes, a boy scouts organization a girls' social club, and open rooms for reading and all sorts of gatherings. We tiptoed thru two wards where ten or a dozen children or babies, orphans, were taking an afternoon nap in beds of spotless white.

The mission has been a great help to these people who suffered so greatly and lost so much and Mr. Wadsworth and his wife are loved by all the people of the valley.

It may be of interest to some to know that Mr. Wadsworth and the writer are both alumni of Illinois College, one from the class of 1881 the other of 1884. We had not met for more than thirty years and neither knew where the other was located. We met because of Mr. Wadsworth's interest in his work and the stranger who passes by. He acted as guide when he might have delegated the work to a stranger and then our paths would have crossed without the knowledge of either of us.

Yours truly,
E. T. IRVING,
Decatur, Ill.

Send your mother in a distant city a flowergram MOTHERS' DAY.

HEINL & SONS

F. W. RUCKER HAS ARTICLE IN TEAM WORK

This week's issue of "Team Work," an advertising publication of the St. Louis Globe-Democrat, contained an article by Frank W. Rucker, a former resident of this city. This article was on the theme, "Co-operating with Your Store's Advertising—A Chat with the Sales Force," and is of unusual interest to merchants.

Mr. Rucker who is now advertising manager of the Independence (Mo.) Examiner, is a graduate of Illinois College. He has been engaged in newspaper work for a number of years, serving on the staff of the Journal for a considerable period.

MISS BACON ARRIVES

Miss Elsie Bacon, Methodist Missionary from India, arrived in town last night in order to attend the meeting of the Women's Foreign Missionary society, which will be held at the Centenary M. E. church today.

Don't fail to see the "Easy" Washer in our west window.

ANDRE & ANDRE

lons were attractively used in colorful house decorations and during the afternoon tea was served in the dining room. Among the guests from out of the city was Mrs. Mary William Yates of Springfield.

Bridge Club in Open Meeting

The Wednesday Bridge Club held an open meeting yesterday afternoon at the Peacock Inn. At this time the members were each privileged to take a guest and six tables of cards were made up in the blue room. After several hours pleasantly spent in attractive afternoon luncheon was served.
